## At least one month prior to expected leave start date:

- Submit the following to your supervisor/manager:
  - A medical certificate confirming pregnancy and estimated due date (for maternity).
  - [Leave of Absence Request Form](#) indicating the start and end date of your leave. If an employee is on paid sick leave prior to commencing a leave of absence, the start date of the leave will be the day following the last day of sick leave used.
  - A completed [Maternity/Legal Adoption/Parental Leave Supplement to Employment Insurance Benefit \(SUB\) Program Application Form](#) if eligible. Refer to Eligibility and Administrative Guidelines for more information on the SUB program.
- Your supervisor/manager will submit the approved Leave of Absence Request Form and the Maternity/Legal Adoption/Parental Leave Supplement to Employment Insurance Benefit (SUB) Program Application Form (if eligible to apply at the time of your leave) to the Human Resource Service Centre (HRSC) via email ([hrsc@gov.sk.ca](mailto:hrsc@gov.sk.ca)).
- The HRSC will provide you with an information package regarding the following benefits applicable to you while on leave: Group Life Insurance, Disability (Disability Income Plan or SGEU LTD), Extended Health and Dental benefits and maternity/legal adoption/parental top up.

## Before your definite leave of absence starts:

- Forward premiums for Group Life Insurance and/or Disability Income Plan to the HRSC if electing to continue coverage for the period of leave. If premiums are not received by the deadline, as indicated in your letter from the HRSC, coverage will be terminated until you return from leave.
- Contact SGEU to make payment arrangements for LTD premiums (SGEU employees).
- Go online [to create your own My Service Canada Account](#). Services and information available within My Service Canada Account:
  - check your Employment Insurance (EI) application status and messages (and sign up for email notifications);
  - confirm any decision made about your Employment Insurance (EI) application;
  - see details on your payments and deductions;
  - view and update your personal information such as your mailing address, phone number or direct deposit information;
  - view your EI tax information slips;
  - view all Records of Employment (ROE) your employer has submitted electronically in the last two years.

## At the start of your definite leave of absence:

- You should [apply for EI maternity/parental benefits](#) as soon as possible after you stop working, even if your employer has not issued your ROE. You can apply for EI maternity benefits before you give birth. In fact, you can start receiving benefits as early as 12 weeks prior to your due date or date of birth.
- The HRSC will electronically submit your ROE directly to Service Canada after your final pay has been processed.
- If while you are on leave, you would like to receive email communications from the HRSC, ensure you have provided an alternate email address in your Employee Profile in [PSC Client](#).
