

Card Access Administrator List

Last revised: July 2024
Next review: August 2024

Property Management Division, Ministry of SaskBuilds and Procurement

This document should be used to find the Card Administrator for your location.

As a security precaution, some government owned and leased buildings require security card access to enter. In order to get, change or cancel card access, a request needs to come from a Card Access Administrator. Find your Card Access Administrator(s) in the lists below.

Please note: The accuracy of the list below relies on ministries and organizations notifying SaskBuilds and Procurement if there is a change in personnel or duties. Please contact the Control Room at controlroom@gov.sk.ca if you have any changes to Card Access Administrators.

The list is divided by regions and sorted numerically by Account Number.

Regina Card Access Administrators

Location	Ministry/Org.	Contact	Email	Number	Account Number
