ARTICLE 1 – PURPOSE – EQUAL PAY FOR WORK OF EQUAL VALUE

The parties agree to maintain a single gender neutral joint job evaluation plan to achieve equal pay for work of equal value for all jobs within the scope of the Government of Saskatchewan/CUPE 600 Collective Agreement, in accordance with the general objectives and principles set out in this agreement between CUPE Local 600 and the Public Service Commission (PSC) of Saskatchewan, which includes these four main factors and their respective subfactors:

FACTORS	SUBFACTORS
Skill	Knowledge Experience Problem Solving Interaction
Effort	Mental Effort Physical Activity
Responsibility	Responsibility For People and Assets Supervision of Others
Working Conditions	Disagreeable Conditions

ARTICLE 2 – PRINCIPLES AND POLICIES

2.1 Principles

1. To evaluate jobs, not people, nor performance.
2. Subfactors are generic, capable of measuring all aspects of work, do not measure **occupation-specific aspects of work**, and are applied to all jobs in the bargaining unit.
3. Degree level definitions in the subfactors measure significant differences in work.
4. Benchmarks demonstrate occupation-specific aspects of work including traditionally undervalued characteristics.
5. Persons evaluating jobs shall be trained in bias awareness, proper and consistent application of the plan, and not have vested interests in the outcome.
6. Job evaluation subfactors and benchmarks will be available through the Public Service Commission, Human Resource Branch, local CUPE Office, Community Living Division (CLD) Central Office, Valley View Centre (VVC) Library and CLD Regional Offices.
7. Appeal mechanisms shall exist to examine, substantiate, authenticate and adjudicate decisions and shall function in a manner that maintains the integrity of the job evaluation plan through disclosure of rationale.
8. In the application of the new classification plan, there is no discrimination in pay where a **pay difference is the result of:**
 - a) A temporary training, or developmental assignment, which is equally available to male and female employees and leads to career advancement for those involved in the program, or assignment.
 - b) Any personnel practice where a job is downgraded and the incumbent retains a rate above maximum of the newly assigned range.
 - c) A skills shortage that is causing inflation in pay for an occupation because the employer is encountering difficulties in recruiting and/or retaining employees with the requisite skills.
 - d) Changes in job assignments.

2.2 Policies

1. Subfactors:
 - a) The Notes to Raters are to be applied when evaluating jobs.

- b) Rating decisions established in violation of Notes to Raters are considered to be in error and shall be re-evaluated.
 - c) Errors in application of factors are not precedent setting.
 - d) Only the JJEC shall be authorized to assign the rating of any job within the plan and have it forwarded to the PSC.
2. Benchmarks:
- a) The ratings and content of benchmarks cannot be changed or adjusted except by the Joint Job Evaluation Committee.
 - b) These benchmarks are the only allowable position comparisons for ratings and for appeal hearings.

ARTICLE 3 – DEFINITIONS

The following definitions are to apply to the terms used herein and throughout the Job Evaluation Program:

4.8 Union committee members shall be replaced in their regular jobs for such time as they are working on the JJEC. Such replacements will have all the rights and privileges of the collective agreement.

4.9 Either party to the agreement may engage advisors to assist its representatives on the JJEC. Any such advisor shall

be entitled to participate in discussion but shall not be considered to be a member of the Committee.

4.10 The Committee shall meet as necessary at a mutually agreed upon time and place. Either party may call a meeting by giving written notice and this meeting shall take place within seven (7) working days of the delivery of the notice to the other party's Co-chairperson. - a) Maintaining the integrity of the program through:
 - i) additions, deletions and changes to the Notes to Raters and benchmarks;
 - ii) resolving issues regarding subfactor level definitions;
 - iii) determining training requirements to be delivered on equal pay for work of equal value principles, elimination of bias in job evaluation, and the application of the plan;

- b) Evaluating all the jobs using the job evaluation plan;
- c) Conducting appeals using the job evaluation plan;
- d) Recommending to the parties changes to the job evaluation plan, its procedures or methods, as may be deemed necessary from time to time.

ARTICLE 6 – JOB ANALYSIS PROCEDURES AND RATINGS FOR NEW AND/OR CHANGED JOBS

6.1 Composition – Rating and Appeal Committees

- a) The Rating Panels (RP) will consist of four members of the JJEC who will make the rating decisions. The Appeal Panels (AP) will consist of another four (4) JJEC members. Quorum shall consist of three (3) members subject to the approval of the minority party. The RP and AP functions will rotate between JJEC members.
- b) Rating and appeal panels shall be equally split between union and management and all occupations must be adjudicated by equal or better female representation.
- c) Rating and appeal decisions will be by consensus and shall be final and binding on the parties subject to the appeal procedures set out in [Appendix D](#).

6.2 Job Evaluation Procedures for New Jobs

Whenever the employer wishes to establish a new job, the following procedures shall apply:

- a) The employer shall prepare a draft job description for the job;
- b) The JJEC shall meet and establish a temporary rating for the job, based on the draft job description and discussion with the manager, and advise PSC using the Job Evaluation Decision Form ([Appendix B](#)). There is no appeal provided at this point;
- c) The job shall be posted and any person appointed to the job shall be paid the pay grade corresponding to the temporary rating;
- d) After six (6) months from the appointment of an incumbent to the job, the incumbent(s) and the supervisor shall complete a Position Description Questionnaire ([Appendix A](#)) that shall be submitted, along with an updated job description, to the JJEC. The Committee shall amend the job description as required and rate the job according to the procedure set out in Article 6.4. The pay grade shall be paid to each incumbent effective the date of his/her appointment to the job.

6.3 Validity of reclass requests

The JJEC must ensure reclass requests are due to changes that have occurred in the job assignment, and are not simply rewrites of the previously evaluated information. The first step in looking at a reclass request is to find out what has changed. If JJEC concludes there has been no significant change to previous job information, JJEC has the right to refuse the request for review. There will be no appeal rights if the request is refused.

6.4 Process for requesting a review

When requesting a classification review, the employee shall complete the Request for Review Form **and Position Description Questionnaire** ([Appendix A](#)) and identify which subfactor(s) they feel should be reviewed. It is up to the JJEC to decide which subfactor(s) is (are) affected.

The following general procedure shall be used to rate jobs:

Step 1

A Position Description Questionnaire shall be completed by the incumbent(s) and the supervisor. The completed questionnaire shall **be submitted to the JJEC along** with the copy of the current job description (if one exists). The questionnaire should detail any changes to the job resulting from new or changed circumstances in the job.

Step 2

The Rating Panel shall draft an up-to-date job description based on the information gathered. Where further information is required, interviews shall be held with the incumbent(s) and/or the supervisor. The Rating Panel shall submit the job description to the incumbent(s) and the supervisor for their review. Amendments may be made to the proposed job description, as deemed necessary by the Rating Panel, from the response of the incumbent(s) and the supervisor. When agreed upon, the job description shall be signed by the incumbent(s) and the supervisor to signify their mutual agreement that it is an accurate description of the assigned responsibilities.

Step 3

The job shall now be rated, based on the agreed-upon job description, in accordance with the job evaluation plan. The Rating Panel shall also use information obtained from the completed Position Description Questionnaire, interviews with the incumbent(s) and/or supervisor and, if required, visits to the job site. The plan evaluates the skill, effort, responsibility, and working conditions involved in the job. Each of these factors is subdivided into subfactors which provide a standard against which each job is rated to determine its relative worth.

Step 4

When the Rating Panel has completed the rating of a job against the plan, it will conduct a sore thumbing exercise. The Rating Panel will then record the results and rationale on the Job Evaluation Rating Form, complete the Job Evaluation Decision Form ([Appendix B](#)) and forward it to Human Resources. Human Resources will send copies of the Job Evaluation Decision Form to the incumbent(s), supervisor, the union and PSC. The Rating Panel will provide written rationale for their decision to the employee.

ARTICLE 7 – MAINTAINING THE JOB EVALUATION PROGRAM

7.1 It is important that accurate job descriptions and job ratings be maintained on an ongoing basis. Failure to do so will serve to damage the integrity of the program. JJEC will have easy accessibility to job evaluation documentation

maintained in Human Resources.

7.2 It is the intention to periodically review jobs upon request and to establish a regular review schedule for all jobs where approximately 20% of the jobs will be reviewed each year after full implementation.

7.3 The parties agree that the structure of the job evaluation plan will not be eroded through subsequent rounds of collective bargaining.

ARTICLE 8 – SETTLEMENT OF DISAGREEMENTS

8.1 In the event the JJEC is unable to reach agreement on any matter relating to the interpretation, application or administration of the job evaluation program, the Co-chairpersons of the Committee shall request, within ten (10) working days, that each party designate an advisor to meet with the Committee. The two (2) advisors shall meet with the Committee and attempt to assist in reaching a decision.

If, after meeting with the two (2) advisors appointed pursuant to Article 8.1, the Committee remains unable to agree upon the matter in dispute, the Co-chairpersons shall advise, in writing, the union and the employer of this fact, within fifteen (15) working days.

8.2 The parties to the Collective Agreement shall meet to resolve the outstanding issues by whatever means are mutually agreeable. However, job evaluation issues shall ultimately be resolved by the Classification Joint Council in accordance with the appeal process as outlined in [Appendix D](#).

ARTICLE 9 – APPLYING THE RATING TO THE SALARY RANGES

9.1 Job ratings serve to:

- a) group jobs having relatively equivalent point values (this is commonly referred to as banding);
- b) provide the basis upon which wage rate relationships between jobs are established;
- c) measure changes in job content;
- d) assign jobs into their proper classification level in the salary schedule.

9.2 The total point allocation shall be used to determine the salary range for the jobs based upon the following table:

Classification Level	Point Range
1	101 - 290
2	291 - 340
3	341 – 390
4	391 – 440
5	441 – 490
6	491 – 540
7	541 – 590
8	591 – 640
9	641 – 690
10	691 – 740
11	741 – 790

ARTICLE 10 – CONCLUSION AND IMPLEMENTATION

These Maintenance Procedures, including all appendices, the Gender-Neutral Job Evaluation Plan, job descriptions and any other documents, as agreed to by the JJEC, March 28, 2001 shall be effective upon implementation of the job evaluation plan.
