Ministry: Executive Government>073 Corrections Policing and Public Safety

Grade and Job: SGEU.09, HWN - SGEU

Salary Range: \$46.607 - \$56.702

Rate Approved: \$56.702

#### **Key Responsibilities of position:**

We are seeking a compassionate, respectful and empathetic individual, eager to contribute in a positive way to the challenges of working in a Correctional Centre - a professional who will commit to teamwork and collaboration through their effective communication and interpersonal skills. Our candidate of choice will work with a team of health care professionals to provide direct male patient nursing care and treatment. You will maintain accurate patient records, actively promote preventative health measures, respond to medical/psychiatric emergencies with appropriate interventions and assess medical and mental conditions, making referrals as needed. To be considered for this position, you will be actively registered (eligible for registration) with the Registered Psychiatric Nurses Association of Saskatchewan (RPN), or the Saskatchewan Registered Nurses Association (RN). You must have knowledge of medical and psychiatric theories and related intervention strategies; drug/alcohol withdrawal indicators and effects; communicable diseases in a correctional population; public health issues and risk factors; and knowledge of multicultural beliefs, values and perspectives. The successful candidate will work day, evening, and weekend shifts. Shifts can be a combination of 8 hours or 12 hours. The hours of work are 07:00-22:30, seven days a week. There currently are no night shifts in the base schedules. The successful candidate must be an advocate for their patients; be honest and reliable; must treat everyone with dignity and respect and be committed to the pursuit of excellence; exhibit leadership and professionalism; embrace diversity and equality and be responsible and accountable
