

### **SGEU Up-in-Range**

The following posting is in accordance with the clauses dealing with "In-Hiring Rate of Pay".

Permanent Full-time

HEA001859 - Personal Care Home Standards Consultant (Nurse)

Ministry: Executive Government>032 Health

Grade and Job: SGEU.11., HWN - SGEU

Salary Range: \$50.227 - \$61.369

Rate Approved: \$55.00

#### **Key Responsibilities of position:**

The successful candidate will:

- Be registered with the College of Registered Nurses of Saskatchewan or the Saskatchewan Registered Psychiatric Nurses Association.
- Have at least one year of experience working in a long-term care setting.
- Have knowledge of medical conditions, treatments and issues affecting older adults in care. Knowledge and experience in policy and planning would be an asset.

Provincial travel is required to manage a case load, provide support and attend meetings. A valid Class 5 Driver's Licence is required for this position. You will have the demonstrated ability to:

- Utilize nursing expertise and clinical knowledge to assess a resident's condition, review care records and inquire of other health care professionals to determine if care needs are met and enforcement action is needed.
- Communicate clearly, accurately, concisely and sensitively both verbally and in writing, in order to prepare reports/ correspondence, conduct interviews, deal with sensitive situations, and explain medical information/situations/clinical data in a clear, accurate and understandable manner at a level appropriate to the audience.
- Accurately interpret and apply applicable legislation, policies and procedures, and review and amend legislation, regulations and standards as they apply to personal care homes.
- Identify, review, investigate and record relevant information and/or evidence through observation, interviews, inquiries and inspections;
- Search for and assess information in order to develop legislation, materials, plans and reports, analyze trends and issues, identify and develop options and solutions and make timely policy recommendations/conclusions on a variety of quality and operational issues in order to meet Ministry goals and client needs.
- Consult/work with other organizations, colleagues, individuals and communities to develop and maintain positive working relationships, policies and protocols, address complaints, ensure compliance with policies/programs/legislation, establish partnerships and obtain and exchange information and resources.
- Work both independently and as a team member with other individuals and organizations to meet client and program needs;
- Plan, organize and prioritize a high-volume, diverse workload, taking into consideration conflicting priorities, frequent interruptions and the needs of the team.
- Interact diplomatically to determine or mediate a solution when encountering difficult or confrontational situations.
