

Family Support Consultation

Kii Health provides resources and tools to help individuals and their family members address their particular challenges.

Balancing work and family responsibilities can be challenging, especially when caring for aging parents or young children. Kii Health provides a range of resources to support you in finding the right care solutions.

- Access guidance on managing caregiving responsibilities while balancing personal and work life.
- Assistance in exploring home care, assisted living, and long-term care facilities.
- Locate licensed daycare centers, after-school programs, and babysitting services.
- And more...

Everyone should have the tools and resources to make informed decisions – that is our goal in everything we do!

With Kii Health you are never alone.

Eligible individuals and their family members have access to our Nurse Care Specialists to support and navigate them through their challenges.
