

## Need to Report a Safety Incident?

If you have experienced a health or safety incident or injury, complete Form 101 electronically using the Incident Reporting and Investigation Application (IRI App) in PSC Client.

### Benefits of the IRI App

- Available in PSC Client on all internet connected devices - anytime, anywhere.
- Electronically sends Form 101 through the reporting and investigation process.
- Faster, more efficient and reduces manual entry.

Complete  
Form 101 in  
PSC Client

#### Do you know?

You can add PSC Client to the home screen on your device to make it easy to access the IRI App and the other helpful tools in PSC Client.
